Registered Practical Nurse – Rapid Assessment Intervention Treatment Team (1 Temporary Full Time- Sarnia site)

The Canadian Mental Health Association Lambton Kent Branch is a proudly merged community agency serving the mental health needs of Lambton County and the Municipality of Chatham-Kent.

Our vision is to have mentally healthy people in a healthy society. As a leader and champion for mental health, CMHA Lambton Kent provides services and facilitates access to the resources people require to maintain and improve mental health. Our efforts promote community integration, build resilience, and support recovery from mental illness.

This position is responsible for providing responsive and comprehensive bio psycho-social assessments for individuals referred to the Rapid Assessment and Intervention Team (RAIT). The incumbent will gather collateral information from primary care providers, family or care givers, and in coordination with the multidisciplinary team, assist in the development of recommendations and treatment planning. Brief services will be offered to individuals who require supports, within areas that have been identified through assessment.

Reporting to the Integrated Manager of Specialized Services, the incumbent will be responsible for the following functions:

- Complete other standardized mental health assessment that may be required to determine mental health services i.e. rating scales for certain mood disorders
- Providing client needs identification through on-going assessment and team oriented treatment planning.
- Implementing treatment plans that focus on strengths, wellness and empowerment to support recovery and goal achievement.
- Providing crisis prevention and intervention planning with the intention of preventing a relapse and/or hospitalization.
- Medication reconciliation, assessment of medication efficacy and tolerance and side effects and health teaching.
- Provides discipline specific assessments to monitor physical and mental health
- Routinely assesses client's physical and mental health and liaises with appropriate physicians regarding identified concerns.

Qualifications:

- Registered Practical Nurse Diploma from a recognized post-secondary institution and current registration with the College of Nurses;
- Experience and knowledge of serious mental illnesses, addictions and other mental health related conditions, usually gained by a minimum of 2 years of experience in working with this population;
- The candidate will work with other professionals using strong problem solving and communication skills;
- A valid driver's license, and use of a vehicle, which will be used in conducting agency business, is required.
