**Mental Health and Social Services Outreach Worker - (Sarnia Site)
1 Permanent Full Time**

The Canadian Mental Health Association Lambton Kent Branch is a proudly merged community agency serving the mental health needs of Lambton County and the Municipality of Chatham-Kent.

Our vision is to have mentally healthy people in a healthy society. As a leader and champion for mental health, CMHA Lambton Kent provides services and facilitates access to the resources people require to maintain and improve mental health. Our efforts promote community integration, build resilience, and support recovery from mental illness.

This MHASST Outreach worker position is responsible for working as part of a team with Ontario Works and the County of Lambton Housing Department to identify, reach out, assess and provide support to individuals that are marginalized, vulnerable and experiencing complex issues that are impacting their housing and/or financial security (i.e., symptoms of mental illness, substance abuse, physical health issues, frequent contact with police and hospital).

This hybrid team will provide a comprehensive global assessment which identifies issues related to Mental Health, Addictions and Social Determinates of Health needs. The team will also gather collateral information from both formal and informal supports. Based on the outcome of the assessment this team will provide brief solution focused therapy and support, make needed referrals and linkages to CMHA services and/or external services providers. This team will provide a quick response to urgent situations that arise which includes a mobile crisis response.

Reporting to the Manager of Specialized Services, the incumbent will be responsible for the following functions:

- Conducting and completing the detailed RAI-CMH for individuals referred;
- Compiling relevant case histories and gather collateral information as needed
- Assessing individuals service needs and making needed referrals and linkages both internally to CMHA and to external service providers;
- Providing intervention and short term support to individuals through their recovery.
- Participating in Case Disposition meeting as needed to determine outcomes for individuals referred to the Agency;
- Implementing client centered plan of care that is focused on strengths, wellness and empowerment to support recovery and goal achievement;
- Provide advocacy follow up as needed with clients to ensure seamless linkages are in place to optimize treatment outcomes;
- Facilitating and coordinating relevant information within the MHASST and County Support Outreach Team staff and extended professionals involved in care
